16. Frequently Asked Questions	11

1. Welcome Message

Welcome to ABC School. This handbook has been prepared to help parents and guardians understand how the school operates day to day, what is expected of students and families, and how to get involved in the school community. We encourage every family to read through this handbook at the start of the academic year and to refer back to it whenever a question arises.

ABC School is a sample institution created for demonstration purposes. While the policies described here are written in a realistic style, no real students, staff, or facilities are referenced.

2. School Mission and Values

ABC School exists to nurture curious, confident, and compassionate learners who are well prepared for the next stage of their education and for life beyond school. The school's approach is built on four core values:

- Curiosity - encouraging students to ask questions and explore ideas beyond the textbook.
- Respect - fostering an environment where every member of the community is treated with dignity.
- Resilience - helping students develop the confidence to learn from setbacks.
- Responsibility - building habits of accountability for one's own learning and actions.

3. Academic Year Structure and Calendar

The academic year is divided into three terms, each followed by a break. Specific dates are published in the annual School Calendar distributed before the start of the school year; the general structure is summarized below.

Term	Approximate Duration	Key Events
Term 1	Early September - mid December	Orientation Week, Fall Assessment, Winter Concert
Term 2	Early January - late March	Mid-Year Assessment, Sports Day, Science Fair
Term 3	Early April - late June	Year-End Assessment, Graduation Ceremony, Sports Day

4. Daily Schedule

Period	Approximate Time	Notes
Gates Open	7:30 AM	Supervised drop-off begins
First Bell / Assembly	7:45 AM	Brief assembly twice weekly
Periods 1-4	7:55 AM - 11:00 AM	Core academic instruction
Lunch and Recess	11:00 AM - 11:45 AM	Supervised by duty teachers
Periods 5-7	11:45 AM - 2:15 PM	Continued instruction and electives
Dismissal	2:15 PM - 2:45 PM	Staggered by grade level
After-School Programs	2:45 PM - 5:00 PM	Optional clubs and care program

5. Communication Channels

Clear, timely communication between home and school is essential to student success. ABC School uses several channels depending on the nature and urgency of the message.

Channel	Typical Use	Expected Response Time
School App / Portal	Daily updates, homework, attendance records	Same day
Email	Non-urgent queries to teachers or office	Within 2 working days
Printed Newsletter	Term updates, upcoming events	N/A - informational
Parent-Teacher Conferences	In-depth discussion of progress	Scheduled twice per term
Front Office	Urgent same-day matters	Immediate during school hours

6. Health and Safety

A qualified school nurse is on site during school hours to manage minor injuries, administer previously authorized medication, and respond to health emergencies. Parents must complete an annual Health Information Form for each child, including any allergies, chronic conditions, or medications.

- Students who become unwell during the day are assessed by the nurse, who will contact parents if the child needs to go home.
- Medication can only be administered by school staff with prior written parental authorization and the medication clearly labeled.
- Students with severe allergies are required to have an emergency action plan on file, shared with relevant staff.

7. Code of Conduct

ABC School expects all students to treat staff, peers, and school property with respect. The Code of Conduct applies on school premises, during school-organized off-site activities, and to online conduct that affects the school community.

Behavior Category	Example	Typical Response
Minor Infraction	Talking out of turn, minor uniform issue	Verbal reminder by teacher
Moderate Infraction	Repeated disruption, disrespect to staff	Reflection conversation; parent informed
Serious Infraction	Bullying, dishonesty, property damage	Meeting with Vice Principal; written record
Severe Infraction	Physical aggression, repeated serious infractions	Principal review; may include suspension

The school's approach to discipline is restorative wherever possible, focusing on helping students understand the impact of their actions and make amends, rather than punishment alone.

8. Homework Philosophy

Homework is assigned with a clear purpose: to reinforce classroom learning, build independent study habits, and occasionally extend learning through projects. The school aims to keep homework purposeful and proportionate to age.

Grade Band	Approximate Daily Homework Time
Pre-K - Kindergarten	None to 10 minutes (reading together)
Grades 1-2	15-20 minutes
Grades 3-5	30-45 minutes
Grades 6-8	45-75 minutes

Parents can support homework routines by providing a quiet, consistent space and time for study, while allowing students to take ownership of completing the work themselves.

9. Parent-Teacher Association

The Parent-Teacher Association (PTA) plays an active role in strengthening the school community. All parents and guardians are automatically considered members and are warmly encouraged to attend meetings, held monthly, and to participate in PTA-organized events such as the annual fair, uniform exchange, and fundraising initiatives that directly benefit student programs.

10. Extracurricular Activities

A range of clubs and activities run after school hours, organized into terms so that students can try different interests throughout the year.

Category	Examples	Schedule
Sports	Football, basketball, swimming, athletics	2-3 times per week
Arts	Drama, choir, visual arts, instrumental music	Weekly
STEM	Robotics, coding club, science club	Weekly
Community	Student council, environmental club, debate	Weekly

11. Library and Resource Center

The Resource Center is open before and after school hours and during designated class periods. Students may borrow up to three items at a time for a two-week loan period, renewable once if no other student has reserved the item. Lost or damaged items are charged at replacement cost, with flexibility given for genuine accidents.

12. Transportation Guidelines

Families may choose between school-provided transport, private drop-off, or independent travel for older students with written parental consent. School transport routes are reviewed each term based on demand and are described in the separate Transport Guide distributed at enrollment.

- Students using school transport must follow the Transport Conduct Guidelines, including remaining seated and using seatbelts where fitted.
- Private drop-off and pick-up must occur in the designated zone; the main entrance is reserved for pedestrian access.
- Any change to a student's regular pick-up arrangement must be communicated to the front office in writing or via the school app before 12:00 PM on the day of the change.

13. Lunch and Nutrition

Students may bring a packed lunch or subscribe to the school's Lunch Program, which offers a rotating termly menu reviewed by a nutrition advisor. Lunches brought from home should avoid nuts where possible given the number of students with nut allergies, and sugary drinks are discouraged in favor of water.

14. Technology and Device Policy

Personal mobile phones must remain switched off and stored in student bags during school hours, except where a teacher specifically authorizes use for a learning activity. School-issued devices, where used, are subject to the Acceptable Use Agreement signed annually by parents and students in Grade 4 and above.

- Students are responsible for the care of any school-issued device assigned to them.
- Internet access on school networks is filtered and monitored in line with the school's safeguarding approach.
- Concerns about a student's online conduct, including outside school hours, that affect the school community will be addressed through the Code of Conduct process.

15. Emergency Procedures

ABC School conducts regular fire, lockdown, and evacuation drills each term so that students and staff are familiar with emergency procedures. In the event of a genuine emergency, parents are notified through the school app and, where necessary, asked to follow specific pick-up instructions to ensure an orderly and safe reunification process.

16. Frequently Asked Questions

How do I update my contact information?

Contact details can be updated at any time through the school portal or by notifying the front office in writing.

What should I do if my child needs to leave early?

Submit an early departure request through the school app or front office at least one day in advance where possible.

Can I volunteer at the school?

Yes. The PTA coordinates volunteer opportunities for classroom support, events, and extracurricular activities.

How are parent-teacher conferences scheduled?

Conferences are scheduled twice per term through the school portal, with additional meetings available on request.

What is the policy on bringing pets or outside food for celebrations?

Pets are not permitted on campus except for occasional, pre-approved educational visits; celebration food must be store-bought and clearly labeled with ingredients due to allergy considerations.
