1. Purpose

ABC School requires all students to wear the official school uniform during regular school hours and at school-organized events unless otherwise specified. A consistent uniform supports a sense of belonging, minimizes distraction, and reduces social pressure around clothing choices.

This policy applies to all students from Kindergarten through Grade 8. Pre-Kindergarten students follow a relaxed dress code described in Section 2.

2. General Uniform Requirements

- All uniform items must display the official school emblem where applicable and be free of visible damage.
- Pre-Kindergarten students may wear comfortable, weather-appropriate clothing in the designated house colors rather than the formal uniform.
- Uniforms must be clean, properly fitted, and worn as described in this policy; alterations that change the design are not permitted.
- Jewelry is limited to small stud earrings and a wristwatch; other visible jewelry is not permitted during school hours.

5. Physical Education Uniform

On days when Physical Education is scheduled, students wear the dedicated PE uniform for the full school day rather than changing partway through, unless their schedule specifically requires a change.

Item	Description
PE T-Shirt	House-colored T-shirt with school emblem
PE Shorts/Track Pants	Navy blue shorts (warm weather) or navy track pants (cool weather)
PE Shoes	Predominantly white athletic shoes with non-marking soles
Socks	Plain white ankle or crew socks

6. Footwear and Accessories

- Formal uniform days require plain black leather or leather-look school shoes with a low, closed heel.
- Sports shoes are reserved for PE days and after-school sports activities only.
- Socks for formal uniform must be plain white or navy, ankle or knee-length.
- Backpacks may be of any plain or moderately patterned design; bags displaying inappropriate graphics or text are not permitted.
- A single, simple wristwatch is permitted; smartwatches with communication features are discouraged during school hours.

7. Grooming Standards

Grooming standards are intended to support a neat, safe, and distraction-free learning environment while respecting individual and cultural expression where reasonably possible.

- Hair should be neat and, for longer hair, tied back during Physical Education and laboratory-based lessons for safety reasons.
- Natural hair colors are expected; bright, non-natural dyes are discouraged for students below Grade 6 and require Grade Coordinator discussion for older students.
- Make-up, nail polish, and similar cosmetic items are not permitted for students below Grade 6 and should be kept minimal and subtle for Grades 6-8.
- Visible tattoos and body piercings other than simple ear studs are not permitted while in uniform.

8. Uniform for Special Occasions

On designated formal occasions such as graduation ceremonies, prize-giving events, or official school photographs, students are expected to wear the complete formal uniform, including the school sweater and tie/scarf where applicable, regardless of weather, unless a medical exemption is on file.

House Spirit Days and similar themed events will be communicated in advance with specific guidance on what may be worn in place of the standard uniform for that single day.

9. Where to Purchase Uniform Items

Official uniform items bearing the school emblem are available through the designated uniform supplier coordinated by the Parent-Teacher Association. Generic items such as plain white socks or PE shoes may be purchased from any retailer provided they meet the specifications in this policy. A uniform exchange program for gently used items is organized twice a year by the PTA to support affordability.

10. Non-Compliance Procedure

Occurrence	Action
1st instance in a term	Verbal reminder from class teacher; noted informally.
2nd instance in a term	Written note sent home requesting compliance.
3rd instance in a term	Parent meeting with Grade Coordinator.
Persistent non-compliance	Referral to Vice Principal; possible loaner uniform item provided where financial hardship is identified.

Families experiencing financial difficulty in meeting uniform requirements are encouraged to speak confidentially with the Grade Coordinator, who can connect them with the PTA uniform exchange program.
